WHAT ARE THE EUROPEAN BUSINESS AWARDS AND WHY DO THEY EXIST?
THE EUROPEAN BUSINESS AWARDS IS ONE OF THE MOST PRESTIGIOUS ACCOLADES A COMPANY CAN RECEIVE, AND IS CONSIDERED TO BE THE WORLD’S LARGEST CROSS-INDUSTRY, CROSS BORDER BUSINESS COMPETITION

Since 2007, we’ve been rewarding the innovators, success stories and ethical entrepreneurs of European business. We wanted to do much more than just congratulate them and give them a trophy. The Awards exist because we truly believe that business has a key role to play in tackling the major issues faced by Europe, world conflict and widespread poverty.

We believe that creating stronger, more successful, innovative and ethical business communities will help address these changes. The European Business Awards aims to do exactly that in three ways:

**ENDORSING AND PROMOTING EUROPE’S BEST BUSINESSES**
Helps attract new customers, partners, talent and investors.

**SHARING LEARNING AND SOLVING PROBLEMS**
Helps businesses overcome the hurdles that stand between them and growth.

**STIMULATING DEBATES**
By asking the big questions and helping answer them.
WHY THE EUROPEAN BUSINESS AWARDS?

Obviously there is a strong element of competitiveness to our Awards – they wouldn’t be worth winning without it. There’s also a robustness and transparency to the judging process that means every entrant knows they will be assessed purely on merit. As our reputation has grown, so too has the prestige associated with winning our accolades, along with the number and quality of the companies entering and hoping to triumph.

This expanding number of diverse entrants is also enabling us to build a unique community of business experts from different industries who are motivated to meet, interact, and share ideas via our alumni groups, conference and webinars.

The European Business Awards brings these like-minded organisations together, giving big players from different industries a unique opportunity to do business, as well as learn and solve major challenges.

When else could you get the movers and shakers from the pharmaceuticals and engineering, fashion and transport industries under the same roof, let alone around the same table!

HOW DO YOU ENTER?

You can be selected, nominated or you can put your organisation forward for consideration for the European Business Awards.

WHAT EFFORT AND COMMITMENT IS REQUIRED FOR EACH STAGE OF THE COMPETITION?

STAGE 1: ONES TO WATCH

Our research team undertake the research, analysis and verification work to compile and select the Ones to Watch list. If you have put yourself forward, you will be asked to complete a short entry form, which will take no more than one hour to complete.

STAGE 2: NATIONAL WINNERS

To be selected as a National Winner, our researchers gather the additional information. At this stage you will have to confirm that you are happy to be considered for selection as a National Winner and that you are prepared to participate fully in the judging process that selects the European Business Awards winners in the 3rd stage of the competition.

National Winners announced: 3 September 2019.

STAGE 3: EUROPEAN BUSINESS AWARDS CATEGORY WINNERS

As a National Winner we will require you to complete a questionnaire which will provide the judges with more detail on how you have built such a successful business.

To represent your country and compete as a National Winner you will also need to commit that you will send at least one senior representative of the company to participate in the Judging Event that will take place in a European city in December 2019. During a 2.5 hour judging session, judges will speak to all of the finalists (National Winners) in the category.

The Awards process is simple, and we guarantee that any effort you put into the Awards will be vastly outweighed by the Endorsement, Exposure and Relationships the Awards bring. Gala Event: w/c 3 December 2019.
HOW ARE THE AWARDS JUDGED?

STAGE 1: ONES TO WATCH

Every company that enters, is proposed by our research team or nominated by a partner, will be evaluated and scored by our analysts based on set criteria. First this is based on the core principles of the Awards; Success, Innovation and Ethics and then analysed for exemplary performance in one of the 18 Award categories.

This process will generate a Ones to Watch list of 100-250 companies per country. With roughly equal numbers of companies selected for each of the 18 categories.

STAGE 2: NATIONAL WINNERS

18 National Winners per country are selected from the Ones to Watch list. Based on the original research/submission and the additional information collected by our research team, our analysts put forward a shortlist of three companies for each category to the National Winners Judging Panel.

The Judging Panel is made up of well-regarded business leaders, academics and management consultants and overseen by our Chairman of the Judges, Philip Forrest.

STAGE 3: EUROPEAN BUSINESS AWARDS CATEGORY WINNERS

The final stage of the judging to win Europe’s top accolade is undertaken by a panel of fantastic Judges, (we list them all on the European Business Awards website). They read all of the written applications prior to the Judging Event for the category they are going to judge. At the judging event they meet with each of the companies they are judging to ask questions and gain further insight. They log a series of scores for every company. The scores from every Judge are combined to give a result. Those scores are validated by the Chairman of the Judges and his team, and the winner decided.

During the Awards Ceremony and Dinner we announce to the world who the 18 European Business Awards winners are.

HOW MUCH DOES IT COST?

We run this programme as a social enterprise and although we have some great sponsors who support us, we believe in the principle of fairness and expect you to pay for what you consume or use. We do ask you to consider covering contributing to the cost of your entry at €258. You can still enter without contributing, it does not effect your prospects in the competition and is entirely voluntary.

If you wish to attend any of the events we organise, we ask you to pay a minimal ticket price. Depending on what you attend, tickets range from approximately €600 for a seat at the gala dinner to €2,000 for a full event ticket. We offer reduced price accommodation and early booking reductions so keep a look out to take advantage of those offers.

Success in the competition is a powerful endorsement, this is why you can see so many testimonials across our website. To help finalists capitalise on that we have created promotional opportunities around the Awards. You may wish to take advantage of some of the options as they have lots of value and provide high levels of visibility. However, it is your choice and is not obligatory, but the PR opportunities are designed to help you grow and build your business.

Attending events or participating in promotional opportunities will bring you significant value, but will not, in any way – positively or negatively – influence the judging and decisions that are made in the competition.
